Masai Mara National Reserve

Masai Mara National Reserve

We think you'll love the Masai Mara National Reserve, one of the best places to watch wildlife anywhere in Kenya. You're almost guaranteed to see plenty of predators, including lions, leopards, cheetahs and spotted hyenas. With so many impalas, zebras, wildebeests, buffaloes and other prey species here, as well as over 500 bird species, you'll see plenty of safari action. Black rhinos are possible in the Mara Triangle. Also everywhere are elephants, giraffes and hippos, and everyone who visits falls in love with the Masai Mara's classic safari landscapes.
